“Breamar Beauty “

Grade Moderate

We give you location grid references and easy questions to answer. All you have to do is walk the trail, collect all the answers and send them to peter@geotrailing.com. All correct answers qualify for an entry to our free prize draw, held every month.

Breamar is situated in the valley of the Dee one of Scotland's most well known rivers. This trail takes us into a small nature reserve and includes a climb to the summit to the west of the town, it is a perfect walk for a half day with plenty of interest on the way.

Distance: 8km Height Gain: 500m

Using a GPS on a Geotrail

Enter your grid reference as a waypoint on your GPS, Name and save. Locate the grid reference on your map. Ask your GPS to GOTO. Remember a GPS will only give you a straight line bearing to your destination; you will need to refer to your map, use footpaths on the ground and contour.
