“Boat of Garton to Grantown-on-Spey “

Grade Moderate

We give you location grid references and easy questions to answer. All you have to do is walk the trail, collect all the answers and send them to peter@geotrailing.com. All correct answers qualify for an entry to our free prize draw, held every month.

Here is a trail where you can use public transport to enable you to complete a linear walk that follows the River Spey through varied and beautiful countryside, we do in fact leave the banks of the river at times but we are never far away. If you are staying at Grantown-on-Spey there is a bus service to Boat of Garton, alight at the post office where our trail commences.

Distance: 11miles Approx.

Height Gain: The walk is virtually flat.

Using a GPS on a Geotrail

Enter your grid reference as a waypoint on your GPS, Name and save. Locate the grid reference on your map. Ask your GPS to GOTO. Remember a GPS will only give you a straight line bearing to your destination; you will need to refer to your map, use footpaths on the ground and contour.
