“A circuit of Grasmere and Rydal Water “

Grade Moderate

We give you location grid references and easy questions to answer. All you have to do is walk the trail, collect all the answers and send them to peter@geotrailing.com. All correct answers qualify for an entry to our free prize draw, held every month.

Start anywhere in Grasmere, use O/S Leisure Map South East Sheet, here is a classic walk, reputed to be the favourite of William Wordsworth, all the paths are good as they wander through wooded glades and along a terrace with fantastic views, this is a trail almost everyone can achieve. Take the kids and Granny everyone will find something to go home with.

Distance 10.5KM Height Gain 324M allow about 3.5 to 4 hours to complete this walk.

Using a GPS on a Geotrail

Enter your grid reference as a waypoint on your GPS, Name and save. Locate the grid reference on your map. Ask your GPS to GOTO. Remember a GPS will only give you a straight line bearing to your destination; you will need to refer to your map, use footpaths on the ground and contour.
