“Wet Sleddale “

Grade Moderate

We give you location grid references and easy questions to answer. All you have to do is walk the trail, collect all the answers and send them to peter@geotrailing.com. All correct answers qualify for an entry to our free prize draw, held every month.

Start this GeoTrail™ at the Car Park NY 5546/1142. Use O/S Leisure Map No 5, the total distance of the trail is 11.9KM, the total ascent and descent is 334m in fairly wild country, you might not see a soul all day. This valley is one of the secrets of the Lake-District and shelters a wide variety of wild life, the going can be boggy at times, but the views are fantastic, choose a fine day for this one. Allow approx 4 hours take your time and enjoy the peace and quiet this tranquil valley has to offer

Using a GPS on a Geotrail

Enter your grid reference as a waypoint on your GPS, Name and save. Locate the grid reference on your map. Ask your GPS to GOTO. Remember a GPS will only give you a straight line bearing to your destination; you will need to refer to your map, use footpaths on the ground and contour.
