**“The Strid Round – Yorkshire Dales “**

**Grade Moderate**

We give you location grid references and easy questions to answer. All you have to do is walk the trail, collect all the answers and send them to [peter@geotrailing.com](mailto:peter@geotrailing.com). All correct answers qualify for an entry to our free prize draw, held every month.

This Trail commences in Car Park at the Strid GR SE 0592 5636 Bolton Abbey in the Yorkshire Dales. Use O/S Explorer 0L2 Yorkshire Dales Southern & Western areas. The whole family can do this Geotrail, the paths are good throughout and the woodland and river scenery are superb.

The walk is 14km (8.5miles) 200m (675ft) of ascent. This Geotrail contributed by Tony Warren.

**Using a GPS on a Geotrail**

Enter your grid reference as a waypoint on your GPS, Name and save. Locate the grid reference on your map. Ask your GPS to GOTO. Remember a GPS will only give you a straight line bearing to your destination; you will need to refer to your map, use footpaths on the ground and contour.
