“Howtown to Pooley Bridge”

Grade Moderate

We give you location grid references and easy questions to answer. All you have to do is walk the trail, collect all the answers and send them to peter@geotrailing.com. All correct answers qualify for an entry to our free prize draw, held every month.

From Pooley Bridge (NY470/244) use Lake Steamer to Howtown (NY443/199) where this Trail commences. Use O/S Leisure Map No 5: This trail if followed using the Steamer is a great day out for all the family, on good paths throughout with plenty of places to stop and admire the views over lake and mountain, Ullswater always looks at it's best from the water and who can resist a ride on a lake steamer. The Trail is total distance 8.3km with 229m of ascent and descent allow a leisurely 3 hours.

Using a GPS on a Geotrail

Enter your grid reference as a waypoint on your GPS, Name and save. Locate the grid reference on your map. Ask your GPS to GOTO. Remember a GPS will only give you a straight line bearing to your destination; you will need to refer to your map, use footpaths on the ground and contour.
